Bí Cineálta Policy to Prevent and Address Bullying Behaviour

St. Patrick's Primary School has adopted the following policy to prevent and address bullying behaviour.

This policy fully complies with the requirements of *Bí Cineálta: Procedures to Prevent and Address Bullying Behaviour for Primary and Post-Primary Schools 2024*.

The board of management acknowledges that bullying behaviour interferes with the rights of the child as set out in the United Nations Convention on the Rights of the Child. We all, as a school community, have a responsibility to work together to prevent and address bullying behaviour and to deal with the negative impact of bullying behaviour.

We are committed to ensuring that all students who attend our school are kept safe from harm and that the wellbeing of our students is at the forefront of everything that we do. We recognise the negative impact that bullying behaviour can have on the lives of our students, and we are fully committed to preventing and addressing bullying behaviour.

We confirm that we will, in accordance with our obligations under equality legislation, take all such steps that are reasonably practicable to prevent the harassment of students or staff on any of the nine grounds specified: gender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

Definition of Bullying

Bullying is defined in Cineálta: Action Plan on Bullying and Bí Cineálta: Procedures to Prevent and

Address Bullying Behaviour for Primary and Post-Primary Schools as targeted behaviour, online or offline that causes harm. The harm caused can be physical, social and/or emotional in nature. Bullying behaviour is repeated over time and involves an imbalance of power in relationships between two people or groups of people in society

“Bullying is behaviour that is targeted, repeated and intended to cause harm”.

The detailed definition is provided in Chapter 2 of the Bí Cineálta procedures. Each school is required to develop and implement a Bí Cineálta policy that sets out how the school community prevents and addresses bullying behaviour. Strategies to deal with inappropriate behaviour that is not bullying behaviour are provided for within the school’s Code of Behaviour.

Behaviour that is not bullying behaviour

- A once-off instance of negative behaviour towards another student is not bullying behaviour. **However, a single hurtful message posted on social media can be considered bullying behaviour as it may be visible to a wide audience and has a high likelihood of being shared multiple times and so becomes a repeated behaviour.**
- Disagreement between students, or instances where students don’t want to be friends or to remain friends, is not considered bullying behaviour unless it involves deliberate and repeated attempts to cause distress, exclude or create dislike by others including deliberate manipulation of friendship groups.
- Some students with special educational needs may have social communication difficulties which may make them communicate their needs through behaviours that can hurt themselves or others. These behaviours are not deliberate or planned but, in certain situations, they are an automatic response which they can’t control.
 - Bullying is not accidental or reckless behaviour. If the repeated harm is real for the student experiencing the behaviour but unintended by the other student(s), this is not bullying.

Section A: Development/review of our Bí Cineálta policy to prevent and address bullying behaviour

All members of our school community were provided with the opportunity to input into the development/ review of this policy.

Section B: Preventing Bullying Behaviour

This section sets out the prevention strategies that will be used by the school. These include strategies specifically aimed at preventing online bullying behaviour, homophobic and transphobic bullying behaviour, racist bullying behaviour, sexist bullying behaviour and sexual harassment as appropriate (see Chapter 5 of the Bí Cineálta procedures):

The following education and prevention strategies (including strategies specifically aimed at cyberbullying, homophobic and transphobic bullying) will be used:

i. Culture and Environment (see section 5.1 of Bí Cineálta Procedures)

- A school-wide approach to the fostering of respect for all members of the school community. •

Recognition for acts of kindness/friendship

- The promotion of the value of diversity to address issues of prejudice and stereotyping and highlight the unacceptability of bullying behaviour.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth and a sense of belonging through formal and informal interactions.
- Whole staff professional development on bullying to ensure that all staff develop an awareness of what bullying is, the prevention and intervention strategies, how it impacts on pupils' lives and the need to respond to it.
- An annual audit of professional development needs with a view to assessing staff requirements through internal staff knowledge/expertise and external sources.
- Professional development with specific focus on the training of the relevant teachers e.g. Friends for Life, Zippy's Friends, Rainbows, Weaving Wellbeing, Incredible Years
- School wide awareness raising and training on all aspects of bullying, to include pupils, parents/guardians and the wider school community.
- Visibility of staff. Supervision and monitoring of classrooms, corridors, school grounds, school tours and extracurricular activities. Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school. School's Broadband network prevents most unsuitable material but teachers still maintain professional judgement and supervision during iPad time.
- There is adequate lighting throughout the school, and this is monitored/checked at regular intervals throughout the year.
- Promotion of pupil voice and other student support activities that can help to support pupils and encourage a culture of peer respect and support e.g. Student Council, Green School Committee, Buddy System, Pupil surveys etc. Such activities /involvement help to create a sense of belonging/ownership/responsibility.
- Development and promotion of a Bí Cineálta code for the school to be displayed publicly in classrooms and in common areas of the school.
- The school's Bí Cineálta Policy is discussed with pupils and all parents/guardians are given a copy as part of the Code of Behaviour of the school on enrolment.
- The implementation of regular (e.g. per year) whole school awareness measures e.g. a dedicated notice board on the promotion of friendship, and bullying prevention; annual Anti bullying Week/Friendship; parents/guardians seminars organised by P/A.; annual student surveys; regular class visits by principal.
 - Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way

4 Bí Cineálta Policy to Prevent and Address Bullying Behaviour – September 2025

pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.

- Ensuring that pupils know who to tell and how to tell
 - Direct approach to teacher at an appropriate time, for example after class.
 - Get a parent/guardian or friend to tell on your behalf.
- Creating a telling environment in school, and ensuring students feel **that school is a safe space to talk** about any concerns they may have.
- Staff reinforce the concept of a **“trusted adult”** by letting pupils know that they can talk to them • Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.
- Identify clear protocols to encourage parents/guardians to approach the school if they suspect that

their child is being bullied. The protocol should be developed in consultation with parents. • The development of an Acceptable Use Policy in the school to include the necessary steps to ensure that the access to technology within the school is strictly monitored. Mobile phones are not permitted in school.

- Teachers' classroom organisation and seating plan is considered. Handover meetings between teachers at the end of the year to highlight concerns/issues etc.

ii. Preventing cyberbullying (see Section 5.5/p.39 of the Bí Cineálta Procedures): •

Implementing the SPHE curriculum

- Implementing the Digital Media Literacy curriculum which teaches students about responsible online behaviour and digital citizenship
- Having regular conversations with students about developing respectful and kind relationships online

iii. Preventing homophobic/transphobic bullying behaviour (see Section 5.6/p.40 of the Bí Cineálta Procedures):

- Maintaining an inclusive physical environment such as by displaying relevant posters. • Encouraging peer support such as peer mentoring and empathy building activities •

Challenging gender stereotypes

- Conducting workshops and seminars for students, school staff and parents to raise awareness of the impact of homophobic bullying behaviour
- Encouraging students to speak up when they witness homophobic behaviour

iv. Strategies to prevent racist bullying behaviour include the following (see Section 5.7/p.40 of the Bí Cineálta Procedures):

- Fostering a school culture where diversity is celebrated and where students “see themselves” in their school environment
 - Having the cultural diversity of the school visible and on display
 - Encouraging peer support such as peer mentoring and empathy building activities •
- Encouraging bystanders to report when they witness racist behaviour
- Providing supports to school staff to respond to the needs of students for whom English is an additional language and for communicating with their parents
 - Providing supports to school staff to support students from ethnic minorities, including Traveller and Roma students, and to encourage communication with their parents
 - Ensuring that library reading material and textbooks represent appropriate lived experiences of students and adults from different national, ethnic and cultural backgrounds

v. Strategies to prevent sexist bullying behaviour include the following (see Section 5.8/p.40 of the Bí

5 Bí Cineálta Policy to Prevent and Address Bullying Behaviour – September 2025

Cineálta Procedures):

- Ensuring all members of our school community model respectful behaviour and treat everyone equally irrespective of their sex.

8 BÍ Cinealta Policy to Prevent and Address Bullying Behaviour – September 2025

Section C: Addressing Bullying Behaviour

i. The teacher(s) with responsibility for addressing bullying behaviour is(are) as follows: •

The principal; deputy principal (when acting up as principal); relevant classteacher(s)

ii. When bullying behaviour occurs, the school will:

• Ensure that the student experiencing bullying behaviour is heard and reassured seek to ensure the privacy of those involved

• Conduct all conversations with sensitivity

- Consider the age and ability of those involved
- Listen to the views of the student who is experiencing the bullying behaviour as to how best to address the situation
- Act in a timely manner
- Inform parents of those involved

The steps that will be taken by the school to determine if bullying behaviour has occurred, the approaches taken to address the bullying behaviour and to review progress are as follows (see Chapter 6 and Appendix C of the *Bí Cineálta* procedures):

iii. Identifying if Bullying Behaviour Has Occurred (see Section 6.1/p.43 of the *Bí Cineálta* Procedures)

- The teacher gathers information by considering what, where, when, and why of the reported incident. • If multiple students are involved, each is interviewed individually first before conducting a group meeting.
- During the group meeting, each student provides their account to clarify the situation and ensure mutual understanding.
- Students may also be asked to write down their version of events for documentation if deemed appropriate by the teacher.
- The school's definition of bullying, and the following guiding questions, will be used to assess whether bullying has occurred:
 - 1. Is the behaviour targeted at a specific student or group of students***
 - 2. Is the behaviour intended to cause physical, social or emotional harm?***
 - 3. Is the behaviour repeated?***
- If the answer to each of the questions above is Yes, then the behaviour is bullying behaviour, and the behaviour should be addressed using the *Bí Cineálta* Procedures. If the answer to any of these questions is No, then the behaviour is not bullying behaviour.
- Some incidents may involve inappropriate but non-bullying behaviour, which will be addressed using the school's Code of Behaviour.

iv. Addressing Confirmed Bullying Behaviour (see Section 6.2/p.43 of the *Bí Cineálta* Procedures) •

School staff act according to the *Bí Cineálta* policy and student-friendly policy. • When is bullying behaviour not dealt with under the *Bí Cineálta* Policy/procedures:

- A school is not expected to deal with bullying behaviour that occurs when students are not under the care or responsibility of the school.
- Where this bullying behaviour has an impact in school, schools are required to support the students involved.
- Where the bullying behaviour continues in school, schools should deal with it in accordance with their *Bí Cineálta* Policy.
- If the bullying behaviour involves a student from another school, the school will support the affected

9 *Bí Cineálta* Policy to Prevent and Address Bullying Behaviour – September 2025
student and engage with their parents to explore solutions.

- The response is fair and consistent, ensuring both the student experiencing bullying and the student displaying the behaviour receive support.
- The affected student is engaged with immediately to reassure them and determine their preferred approach to resolving the issue. The teacher listens to the views of the student who is experiencing the bullying behaviour as to how best to address the situation.

- A record is kept by the teacher of engagement with all parties (See Appendix 1)
- Parents of all involved students are informed by the teacher or Principal/ Deputy Principal at an early stage.
- Privacy and sensitivity are maintained in all discussions, considering the students' age and ability.
- Action is taken promptly, and students are actively involved in decisions about resolving the situation.
- Approaches such as restorative practice or mediation may be used only if staff have received training and students consent.

v. Handling Requests to Take No Action (see Section 6.3/p.45 of the Bí Cineálta Procedures) • A student may request that no action be taken beyond staff monitoring the situation. Where this occurs, the member of staff will speak with the student to work out together what steps can be taken to address the matter and how their parents will be informed of the situation.

- The staff member acknowledges the student's feelings and works with them to determine appropriate next steps.
- Parents may also make schools aware of bullying behaviour and specifically request that no action be taken to address the matter and how their parents will be informed of the situation.
- The staff member acknowledges the student's feelings and works with them to determine appropriate next steps.
- Parents may also make schools aware of bullying behaviour and specifically request that no action be taken. Where parents request that a school take no action, parents should put this request in writing to the school. However, while acknowledging the parent's request, schools may decide that, based on the circumstances, it is appropriate to address the bullying behaviour.

vi. Reviewing Progress and Ensuring Behaviour Has Ceased (see Section 6.4/p.45 of the Bí Cineálta Procedures)

- The teacher conducts a follow-up review within 20 school days of the initial intervention.

The review considers:

1. The nature and impact of the bullying behaviour.
 2. The effectiveness of strategies used.
 3. Changes in relationships between students involved.
- Even if bullying has ceased, ongoing support/supervision may be needed for both students.
 - If the bullying behaviour persists, strategies are reviewed with students and parents, and additional actions are planned within an agreed timeframe.
 - If the student displaying bullying behaviour continues their actions, the school may apply disciplinary measures under the Code of Behaviour.

vii. Recording and Documentation (see Section 6.5/p.45 of the Bí Cineálta Procedure)

Please note, the recording template is available on the shared drive.

- All incidents are recorded, including:
 - The form and type of bullying behaviour.
 - The date, time, and location of incidents.
 - Initial engagement details with students and parents.

10 Bí Cineálta Policy to Prevent and Address Bullying Behaviour – September 2025

- Student and parent perspectives on actions taken are documented.
- A review meeting is recorded, including whether the bullying has stopped.
- If applicable, records are stored in the Student's File in the Class Filing Cabinet and the Principals office, and then used to inform future support strategies
- Even if bullying has ceased, ongoing support may be needed for both students.
- Records are kept in compliance with the school's data protection policies. A copy of the record will be shared with the

school principal and stored in the office.

viii. Complaint Process (see Section 6.6/p.46 of the Bí Cineálta Procedures) • If a parent is dissatisfied with how the bullying behaviour has been handled, they may use the school's Parental Complaints Procedure

- If unresolved, they may escalate the complaint to the Ombudsman for Children (ococomplaint@oco.ie).

ix. Supporting pupils experiencing bullying behaviour:

The school will use the following approaches to support those who experience, witness and display bullying behaviour (see Chapter 6 - Section 5.7/p.46 of the Bí Cineálta procedures):

The school's programme of support for working with pupils affected by bullying involves a whole school approach. Given the complexity of bullying behaviour, no one intervention/support programme works in all situations

- Ending the bullying behaviour
- Fostering respect for bullied pupils and all pupils
- Fostering greater empathy towards and support for bullied pupils
- Indicating clearly that the bullying is not the fault of the targeted pupil through annual awareness raising programmes
- Indicating clearly that the bullying is not the fault of the targeted pupil through the speedy identification of those responsible and speedy resolution of bullying situations
- Helping bullied pupils raise their self-esteem by encouraging them to become involved in activities that help develop friendships and social skills (e.g. participation in group work in class and in extra curricular group or team activities during or after school).
- Continued contact with parents
- Continued monitoring of particular situations

x. Supporting pupils engaging in bullying behaviour:

- Making it clear that bullying pupils who reform are not blamed or punished and get a 'clean sheet'
- Making it clear that bullying pupils who reform are doing the right and honourable thing and giving them praise for this
- Helping the pupils who engage in bullying behaviour to learn other ways of meeting their needs besides violating the rights of others
- Helping those who need to raise their self-esteem by encouraging them to become involved in activities that develop friendships and social skills (e.g. participation in group work in class and in extra-curricular group or team activities during or after school)
- Using learning strategies throughout the school and the curriculum to help enhance pupils' feelings of self-worth
- In dealing with negative behaviour in general, encouraging teachers and parents to focus on, challenge and correct the behaviour while supporting the child
- In dealing with bullying behaviour seeking resolution and offering a fresh start with a 'clean sheet' and no blame in return for keeping a promise to reform
- Continued contact with parents
- Continued monitoring of particular situations

All bullying behaviour will be recorded. This will include the type of behaviour, where and when it took place, and the date of the engagement with students and parents. The actions and supports agreed to

11 Bí Cineálta Policy to Prevent and Address Bullying Behaviour – September 2025
address bullying behaviour will be documented. **If the bullying behaviour is a child protection concern the matter will be addressed without delay in accordance with Child Protection Procedures for**

Section D: Oversight

The principal will present an update on bullying behaviour at each Board of Management meeting. This update will include the number of incidents of bullying behaviour that have been reported since the last meeting, the number of ongoing incidents and the total number of incidents since the beginning of the school year. Where incidents of bullying behaviour have occurred, the principal will also provide a verbal update which will include where relevant, information relating to trends and patterns identified, strategies used to address the bullying behaviour and any wider strategies to prevent and address bullying behaviour where relevant. This update does not contain personal or identifying information. See Chapter 7 and Appendix D of the Bí Cineálta procedures.

This policy is available to our school community on the school's website and in hard copy on request. A student friendly version of this policy is displayed in the school and is also available on our website and in hard copy on request.

This policy and its implementation will be reviewed, following input from our school community, each calendar year or as soon as practicable after there has been a material change in any matter to which this policy refers.
